

# **MICHAEL PATRICK WEIDNER**

## **BIOGRAPHY**

Michael is an Adult and Pediatric emergency medical and trauma nurse from the United States. He brings an extensive background in both hospital and prehospital emergency medical care. He has dedicated himself to preserving human life and wellbeing.

When not working in the emergency department, Michael is a volunteer firefighter with a specialty in hazardous materials response and search and rescue. He exercises his desire to help people through his international medical work and training those who need it in highly desirable skills that allow others to help prevent suffering.
